Overview

DESIGNERS have a hard time finding clients

→ freelance job portal

→ people post their designer needs

→ designers can apply

Our goal

A **freelance job portal** where **clients post** design needs and qualified **designers apply** — **matched on fit, not just price**

Photo: Pexels

Target group & Features

Target Group

Freelance Designers

→ tired of competing @ generalist platforms

Clients

→ qualified applicants without endless scrolling

FIND YOUR NEXT CLIENT
